

Open Door Consultancy, LLC

You're not leaving your country, your country has left you

Our company was launched out of a desire to help those who simply feel like a stranger in their country. There are literally millions of folks like yourself who wish to obtain *more freedom, better lifestyles, more resiliency to downturns & financial security.*

We're playing to win

Open Door differs from other international services in our uncensored nature. The world is going through unprecedented dangers. We don't need to sell you on something that sounds artificially pretty, we need you to win.

Internationalization

We don't offer a 'one-country fits-all' answer like most other services. We aim to be as international as possible to consider *all* options available for you

[Learn more](#)

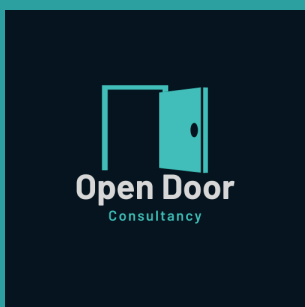

Trends:

- 1) European Union (EU) is exploring options to kill every single Golden Visa program
- 2) People are fleeing from Dubai as fast as they came; it's over for the desert city!
- 3) A war on privacy in EU; Cash and Cryptocurrency is now radically regulated
- 4) Argentinian suffering continues with hacked & leaked private data, counterfeit items, wages far below cost of living, violent robberies & political protests against the current President.
- 5) Mexican cities remain divided on foreigners; some seek to expel all of them to reduce the rising costs while others welcome them for added business prospects.
