

## Hello OnTheBall Team! *Back with more:*

I am writing you today from the *Heart of South America*; yes from *Paraguay!* I'll have more to say about here and whether it is something you should consider in the weeks to come. In the meantime I am also preparing lots of interesting content. I am getting ready to post a beauty stock that you should not miss, whether the "Great Taking" is for real, the massive scam of the Paris Climate Accord, the AI bubble and a controversial idea that is going to *trigger* many! Speaking of Triggering...

### 🔥 The Hot Streak Continues! 🔥

This stock has popped and will continue to do well as long as there is chaos—and this election cycle is about to damn chaotic!

### Was Trump's Assassination *Faked?* Is this the beginning of a *new civil war* and the last US Election as we know it?

### New Silver Stock Write Up

We have released a new stock pick that holds bonanza-grade silver in Tier-1 jurisdictions who are cash'd up and ready to drill for the rest of 2024. [Subscribe](#) to read which one it is!

### Opportunity or Jail Time?

Isle of Man may have a truly-game changing gasfield offshore that they own; but have they shot themselves in the foot?

[Finally, our take on Uruguay is released. This is a long-post so prepare to be fully informed! <--LINK](#)

"When you see that in order to produce, you need to obtain permission from men who produce nothing—when you see that money is flowing to those who deal, not in goods, but in favours—when you see that men get richer by graft and by pull than by work, and your laws don't protect you against them, but protect them against you—when you see corruption being rewarded and honesty becoming a self-sacrifice

—you may know that your society is doomed"  
Ayn Rand, Atlas Shrugged

### Meeting Your Travel Goals

We outline the best places to do the following according to [OnTheBall Travels](#): Honeymoon, Lower Taxes, Ecotourism, Nightlife, Vacation or Find Excitement!

Travellers and Adrenaline Junkies will like this one!

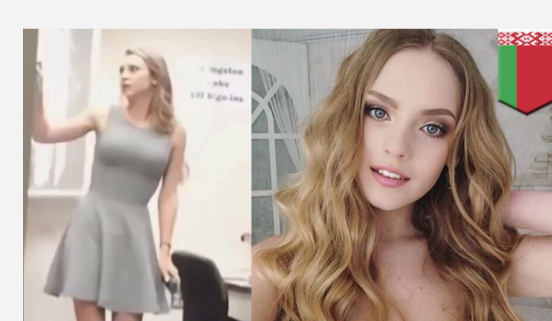

From a [Mexican newspaper](#): "*The Quintana Roo municipalities of Tulum and Felipe Carrillo Puerto will see a 447% population increase by 2050, driven by an increase in tourism and internal migration in response to a booming labor market.*" Mexico is primed for touristic growth like no other country in North America.

[Rumours are circulating that a Trump election victory would put the "pedal to the medal" on the economy with lower interest rates, lower tax and extreme spending!](#)

### NATO + China

NATO mercenaries have now surrounded Belarus who are now supported by Chinese presence in the country as well. Russia has gained the support of the North Korean military as Finland has signed a Declaration Security Agreement with the United States and destroyed their foreign policy neutrality status.

### Something is going on...

More and more you are beginning to see white men choose Asian or Latina women for their sexual partners...Here's a list of countries where your odds as a **man** are higher!
